How It Works

Choose your Date ◀

There are 3 days to choose from:
Wednesday 12/31/25-Friday 1/2/26.

Come-and-go As You'd Like ◀

You don't have to arrive exactly at 1PM, Wristbands are valid for the entire 4 hour window and for re-entry.

Games are First-Come, First Serve ◀

There will be queues and we rotate all games and attractions! Since this is a open-play event - we cannot guarantee usage of every attraction.

Parents and Chaperones ◀

Do not require a wristband for entry. Only those who wish to use the attractions. All guests 14 and under must be accompanied by an adult.
